

What is CLEAR?

CLEAR uses biometrics to create a connected world that is smarter and more secure. From airports to arenas, our platform powers secure, frictionless customer experiences at more than 35 airports and stadiums nationwide.

How does CLEAR work?

After a fast, one-time enrollment, CLEAR connects your identity to your biometrics (fingerprint, iris, face), speeding you through airport and stadium security with just the touch of a finger or the blink of an eye. Our platform is all about creating frictionless experiences – from biometric lounge access to biometric boarding passes in airports to venue access and concessions in stadiums. With CLEAR, your biometrics replace your ID and your boarding pass or ticket, so you never have to take your wallet out of your pocket or break stride.

Where can I use CLEAR?

Today, members can use CLEAR in 26 U.S. airports and 13 stadiums, covering a large majority of domestic departure traffic. The airports include: Atlanta, New York John F. Kennedy, New York LaGuardia, Los Angeles, San Francisco, San Jose, Denver, Detroit, Dallas-Fort Worth, Dallas Love Field, Houston Bush, Houston Hobby, San Antonio, Salt Lake City, Austin, Orlando, Miami, Las Vegas, Baltimore-Washington, Seattle, Washington Dulles, Washington Reagan, Minneapolis-Saint Paul, Westchester County Airport in New York, Phoenix Sky Harbor International Airport, and Fort Lauderdale-Hollywood International Airport. Additionally, CLEAR can be used for fast entry into Yankee Stadium and Citi Field in New York, Coors Field in Denver, Marlins Park and AmericanAirlines Arena in Miami, AT&T Park in San Francisco, Comerica Park in Detroit, Avaya Stadium in San Jose, Banc of California Stadium in Los Angeles, Oakland-Alameda County Coliseum, and Safeco Field and CenturyLink Field in Seattle.

How much does a CLEAR membership cost?

CLEAR offers two kinds of memberships. To use CLEAR at airports and stadiums, an annual membership costs \$15 per month, billed annually. Kids under 18 are free, and members can add up to three family members, each for an additional \$50 per year. Sports-only memberships (for sports games or concerts) are free.

How does CLEAR know it's me?

Your biometrics, such as your fingerprint, face, and iris, are unique to you. CLEAR's patented enrollment process connects your identity to your biometrics, so you no longer need keys, IDs or passwords when you use CLEAR.

Who can enroll in CLEAR?

All U.S. citizens and legal permanent residents 18 and older can enroll in CLEAR.

What role does CLEAR play at the airport?

CLEAR provides accelerated screening at the airport identification security line, prior to physical screening. CLEAR is expanding to create frictionless curb-to-gate experiences, including baggage check, lounge access, security checkpoints, and boarding.

Once enrolled, CLEAR members can use the service anywhere it's found.

How should CLEAR be referenced in the press?

When referring to CLEAR in the press, all caps should be used. Members verify and enroll at CLEAR pods, and Ambassadors escort them through dedicated CLEAR Lanes.

Where is CLEAR headquartered?

CLEAR is headquartered in midtown Manhattan. Additionally, CLEAR has employees based in all CLEAR airports around the country.

Who founded CLEAR?

CLEAR was founded in 2010 by Caryn Seidman-Becker and Ken Cornick.

Caryn Seidman-Becker is the Chairman and CEO of CLEAR. Caryn, along with Co-Founder Ken Cornick, led the acquisition of CLEAR in 2010. Caryn drives the overall direction and vision for the company as the CLEAR team works to build a world where it's simple to be you through its biometric network. Caryn also oversees (obsesses over) the customer experience, marketing, business development, and people development. Caryn received her B.A. in Political Science from the University of Michigan.

Ken is the Co-Founder and President of CLEAR, responsible for the finance, operations, and technology organizations. Ken received his B.A. in Economics from Bowdoin College.
